A Fathers Words examines the profound impact fathers words have on their children. The words and actions of fathers shape their childrens lives in many crucial areas. The things fathers say can make or break their children. Christian counselor Stephen Rossi presents specific strategies, examples, and solutions for repairing, restoring, and healing broken father-child relationships created by degrading words from fathers. Rossis insightful, practical, and compelling book focuses on helping fathers understand, reverse, and prevent the devastating effects of their demeaning words on their children. Rossi inspires and encourages fathers to make the necessary changes that will bless their children. He knows very well as a Christian counselor that this can only really be done with Christ. Rossi relies on and involves Christ in the explanation and healing process throughout his book. A Fathers Words is based on Rossis work with fathers and their children throughout his career.
