

A New Monastic Handbook: From Vision to Practice

Two leading practitioners of new monasticism open up the movements spiritual landscape and its distinctive calling and gifts within today's church. Practical experiences and stories are set alongside reflection and liturgies as a creative resource for all who are already involved in, or are exploring intentional living in community. Focusing on new monasticism's key characteristics of prayer, mission and community, this book explores: continuity with traditional religious life innovations, such as its use of social networking technology potential for spiritual formation preference for the abandoned places of society transformative approach to mission blend of the traditional and experimental in worship growing international presence
