

BABY BOOMERS QUICK GUIDE TO MEDICAID IN FLORIDA

Do you ailing Parents(s) or loved one with a need to be placed in a skilled nursing facility? Then this book is for you. This author could not find any book as this when they were going through this hardship. There were no Self-help books on Medicaid filing and getting someone placed in a skilled nursing facility. This book is not written in stone, it is only a guide to help you along in a very tedious process. Many things in this short book took me a year to find out. Then it was too late! These are not secrets, yet they are little known facts that are hidden very well.

What you will read here are things I learned from the State of Florida and from my attorney. Most of this I had to extract from them after meetings, emails, phone calls and a lot of screaming! This contains examples of what I had gone through and what I learned. After years of working in hospitals and writing step by step manuals for the medical team, this Quick Guide came natural to the author. This is a guide to help an individual get through this process of Medicaid filing. Disclaimer: Laws change and the author encourages the reader to check current laws and regulations. This book is based on personal experience.
