your lover! In short, Natural Beauty is for every girl who has an inner beauty just waiting to burst out, and that's all of us! This is not a book which celebrates skinny, though we certainly don't mind it. It applauds curves and kindness and even mad-cap passion. This book loves women, and we truly believe women will love this book. Join us on a humorous journey through time and imagination with the wise but often deliciously catty and judgmental Healer. As she travels through space and time and visits some of the World's most memorable women, she describes how the oils chosen for the recipes might otherwise have been used. This super-bitch with a warm and healing heart wants to show you how to unleash the secrets of the earth and reclaim your Natural Beauty.
