

Time For Kids: Henry Ford

As a young boy, Henry Ford was fascinated by technology and how objects worked. His childhood interests led him to leave the Ford family farm in Michigan in search of a career with machinery, and the rest is automotive and economic history. TIME For Kids Biographies help make a connection between the lives of past heroes and the events of today. Henry Ford made cars affordable, turning them into the primary means of travel for Americans. His innovations, including the assembly line, are still benefiting us today.
