

Leading Curriculum Development

Develop a curriculum that can transform an ordinary school into a school of excellence!

This resource introduces school leaders to dynamic curriculum leadership and a curriculum development process that leads to highly successful school programs. The author demonstrates how administrators can adapt curriculum to meet their schools changing needs, incorporate emerging technologies, and reflect new and creative ways of thinking about education. The book walks educational leaders through the curriculum development process, showing them how to:

- Create a school curriculum team
- Establish a regular curriculum cycle of analysis, design, implementation, and evaluation
- Develop a path for curriculum improvement

Curriculum leadership involves working with multiple people to ensure that the curriculum is aligned both horizontally and vertically. Curriculum development is the essential function of school leadership. Whether the role is carried out by a principal, an assistant principal for curriculum, a team

Table of Contents for Leading Curriculum Development / Jon Wiles, available from the Library of Congress. The author has managed to describe the complex process of curriculum development in plain English. - John Lundt, Professor of Educational Leadership
