

Queer Presences and Absences (Genders and Sexualities in the Social Sciences)

This book explores changes and continuations in lesbian, gay, bisexual, transgender and queer lives, identities and spatial practices in the 21st century from around the globe, using a range of methods to connect pasts, places and policies with contemporary times, linking individual and social presences (and absences) affectively and materially.

studies, media sociology and gender and sexuality studies (Chambers, 2009, Davis & Needham, 2009). Queer theory expands this theorisation of social construction. The absent future (Goltz, 2010) is perhaps one of the .. presence by the end of the series, thus narratively on par with the rest of cast.PDF EPUB Queer Presences and Absences pp 69-90 Cite as Part of the Genders and Sexualities in the Social Sciences book series (GSSS)Genders and Sexualities in the Social Sciences Series Editors: Victoria Robinson, University of Sheffield, UK and Diane Richardson, University of Newcastle, UKPDF EPUB Queer Presences and Absences pp 178-200 Cite as Part of the Genders and Sexualities in the Social Sciences book series (GSSS)This chapter explores absences and presences in the narratives of queer men Part of the Genders and Sexualities in the Social Sciences book series (GSSS)Social Realities and Media Representations.
