

The Pilgrims Progress by John Bunyan (The Illustrated Childrens Library)

Next to the Bible, the book I value most is John Bunyan's *The Pilgrim's Progress*. --Charles Spurgeon One of the most powerful dramas of Christian faith ever written, this captivating allegory of man's religious journey in search of salvation follows the pilgrim as he travels an obstacle-filled road to the Celestial City. Along the way, he is confronted by monsters and spiritual terrors, among them Worldly Wiseman, Giant Despair, and the demons of the Valley of the Shadow of Death. An enormously influential 17th-century classic, that continues to be universally known for its simplicity, vigor, and beauty of language: I seek a place that can never be destroyed, one that is pure, and that fadeth not away, and it is laid up in heaven, and safe there, to be given, at the time appointed, to them that seek it with all their heart. Read it so, if you will, in my book.

The *Pilgrim's Progress* from This World to That Which Is to Come is a Christian allegory written by John Bunyan and published in February, 1678.
