

St. Kateri Tekakwitha: The Lily of the Mohawks

This short chapter book for primary grades relates the life of St. Kateri Tekakwitha, North America's first Native American saint. It is suitable for ages 4-8. In just six chapters, the story takes children from Kateri's birth in what is now Central New York State through the major events of her short, gentle life. It also relates, in simple terms, the history of her slow but steady journey through the traditional channels of the Catholic Church to her canonization in October, 2012. Included is a prayer that encourages children to practice her virtues of love, patience, and joy in difficult times.

Ask the children to close their eyes and sit quietly for a moment. 2. Ask the children to think of a time when they felt compelled to do something they felt that they
