

The ABCs of Beauty

A daily devotion for women, designed to stimulate a richer and deeper quest for complete beauty. This devotional takes each letter of the alphabet and assigns words, which in turn supply a caption, name or thought provoking view of the beauty elements which can be found in each woman. In each entry, the ABCs of Beauty also gives useful beauty tips that focus on the outward characteristics of a woman. These tips encourage, social responsibility, healthy living and cosmetic changes that can enhance their outward appearance. This devotional provides tools and views that can immediately be used to implement positive changes in the lives of each woman who uses the information provided. In addition, there is an area to record thoughts for each day, giving this devotional the functional aspects of daily journaling. And because of the simplicity of the layout and terms used, this can be a great resource for young women and teen girls as well.
