

The Daily Candy Lexicon: Words That Dont Exist But Should

Women the world over have been nursing a powerful addiction to DailyCandy.com. A daily email newsletter covering absolutely everything (from lacy bras that actually fit to restaurant openings to childrens museums), its the ultimate insiders guide to whats new and undiscovered. Its like having a great conversation with a girlfriend a girlfriend who tells you where to get your eyebrows threaded, knows when the best sample sales are, and can make you laugh really hard. Beloved as much for its witty, edgy writing as it is for its far-reaching information, DailyCandy has also grown into the go-to site for the latest in hip expressions, defining and inventing words and terms that just are becoming popular or should be. Smart, funny, and sassy, The DailyCandy Lexicon is a compilation of these definitions, invaluable whether youre a girleen (a young sassy woman) or a SoDeeWah (socialite/designer/whatever).

Accompanying the listing is a behind-the-keyboard narrative of how the DailyCandy staff came up with the entries. Maybe youre tired of talking the way youve talked for years (please stop calling things dope), or maybe youre embarrassed that you didnt know what your cubicle-mate meant by desk burn (its an injury sustained during in-office sex).
