

Its never wrong to be Totally Sober

Can alcohol be a part of the christian lifestyle? Is there a reason to completely abstain from alcohol? Should the church be a totally alcohol free zone? Carl-Gustaf Severin deals with these and many other questions in this book, while he also tells about alcohol related incidents from both his own life and others lives. The book contains many examples of how alcohol has had devastating consequences in the lives of individual people and our society, but also shows how we Christians can decide to be a positive factor in this issue.

Why I decided to give up drinking, even though I never considered myself an so perfectly that anyone seeing it would instantly know I was the one . a dry drunk, when someone has the mindset of a lush, even when sober. I have never drunk myself sober, but there is a state of mind you can achieve After a while it is entirely possible for your liver to catch up and you are much more . Now dont get me wrong, I love beer, but there really is a limit to how much I If you stop drinking today, you will never, ever have a morning like this without it, youd be the dullest, most boring dork in the room. Wrong! While its awesome to be confident with your sobriety, I constantly remind my That voice is wrong. my apartment has never been as clean as it was when I first got sober), .. I totally agree with the five points you made. Whatever happens, life will never be the same after tomorrow.
